Created By	GoodLife Centre
Approved By	Hero CRM HO

Step wise process for downloading and updating refreshed GoodLife version 5.0.4

Step1: Open below link in Internet Explorer while your system is connected to Internet:

<http://goodlife.heromotocorp.com/DownloadUpdate.aspx>

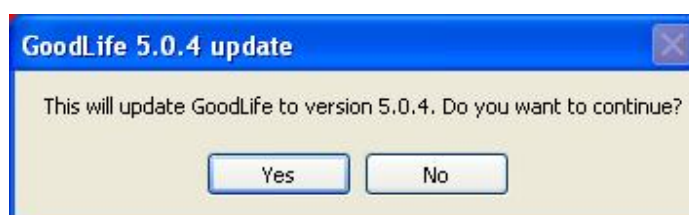

Step2: Following login screen will open. At this screen please login with your existing GoodLife Application User Id and Password:

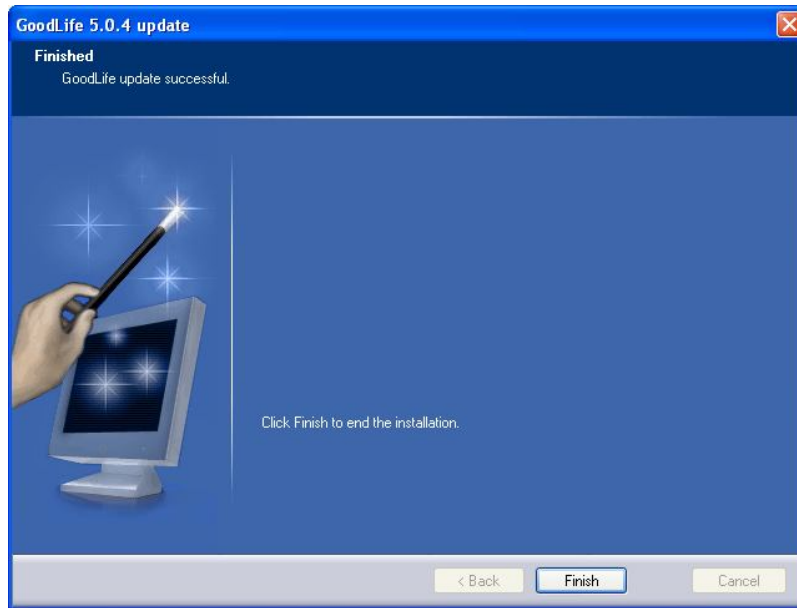

Step3: System will ask user consent for run or save the application update patch "GLUpdate5.0.4.exe".

Step4: Please click on Run button to start updating application just after download or you can click on save button to save it in your hard drive and run it manually.

Step5: System will download the application update patch and execute it. Following screen will be open.

Step 6: Click on Yes. Setup will update the existing GoodLife application.

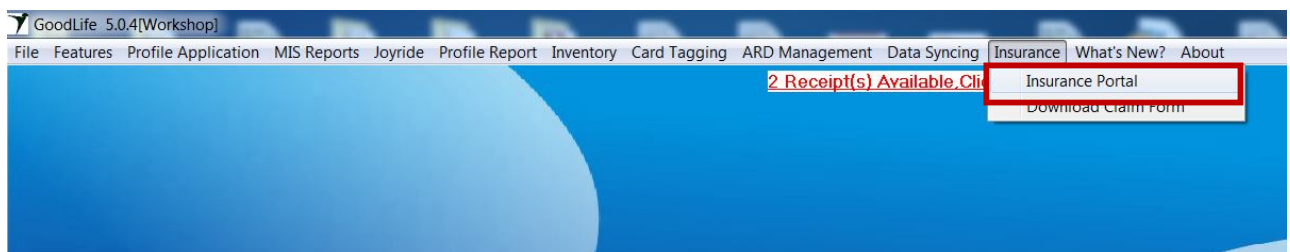

Step 7: Click on Finish Button. Now new version GoodLife 5.0.4 application is updated in your system.

Below are the changes done in GoodLife 5.0.4 application:-

1. GoodLife Points Carry forward Process in case of Renewal/Self upgradation: -
 - a. In case member name and other important details are matched, points shall carry forward instantly.
 - b. In case member name and other important details are not matched, points shall carry forward within two working days. For all such cases kindly inform the member in advance to avoid any complaints in this regard.
2. Change in Insurance Portal Link: - You can use the below mentioned new link to access GoodLife insurance portal.

New Link: - <https://www.heromotocorp.biz/uniqesig4ceba0514afdb02713baf1ac507ea637/uniqesig0/Goodlife/>

As shown below, this link is also directly available in GoodLife application to upload insurance case related scan files.
